

Interview Day Considerations

Check the date and time of your interview. Arriving too late may result in cancellation of your appointment. If you fail to bring all the required documents or have incomplete forms, your appointment may be cancelled. Only applicants with scheduled appointments will be admitted to the Embassy/Consulate, with the exception of children under 18 years of age accompanied by a parent and assistants for the disabled.

All visitors to the Embassy/Consulate are subject to an airport-type screening. When planning your visit, bring only what is needed for your business with us. If you have items with you that cannot be taken into the Embassy/Consulate, your entry (and the entry of those in line behind you) will be delayed. Due to security measures, you may have to wait a considerable amount of time outside the Embassy/Consulate. Please dress for the weather.
